How to Draw Acorn — Free Practice Sheets

ANSWER / CASE 1

acorn: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

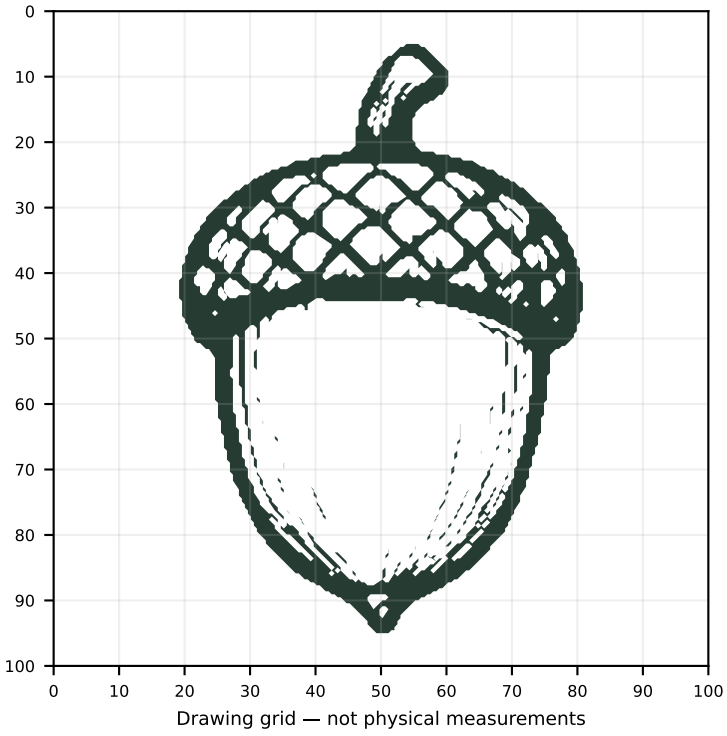

ANSWER: Example solution: preserve rounded nut body with a pointed tip at the bottom, textured cap with a crosshatch pattern, short curved stem on top of the cap. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a rounded oval for the nut body, tapering to a small point at the bottom.
2. Draw a curved cap shape over the top of the nut body, slightly wider than the body.
3. Add a crosshatch pattern inside the cap to show texture.
4. Draw a short, curved stem extending upward from the top of the cap.

ANSWER / CASE 2

acorn: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

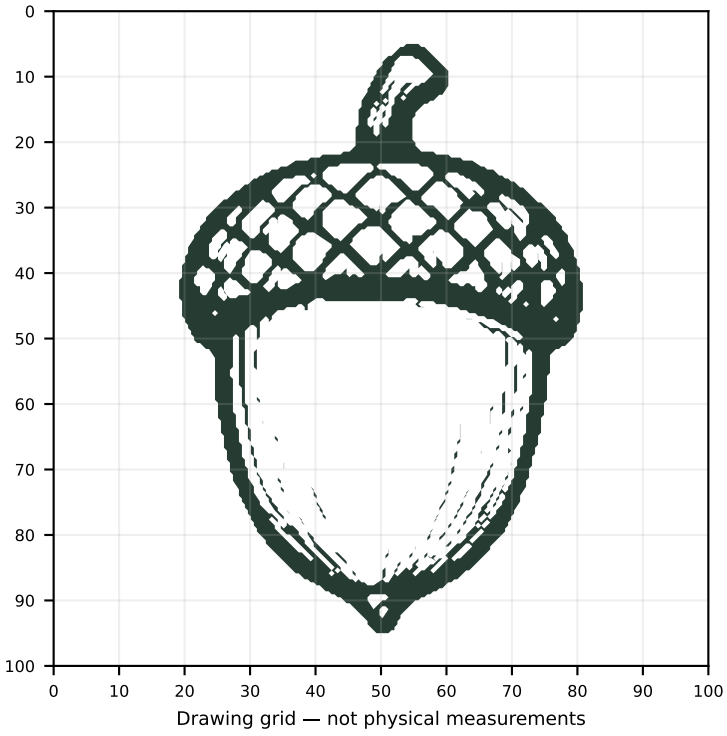

ANSWER: Example solution: preserve rounded nut body with a pointed tip at the bottom, textured cap with a crosshatch pattern, short curved stem on top of the cap. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.

1. Draw a rounded oval for the nut body, tapering to a small point at the bottom.
2. Draw a curved cap shape over the top of the nut body, slightly wider than the body.
3. Add a crosshatch pattern inside the cap to show texture.
4. Draw a short, curved stem extending upward from the top of the cap.

ANSWER / CASE 3

acorn: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

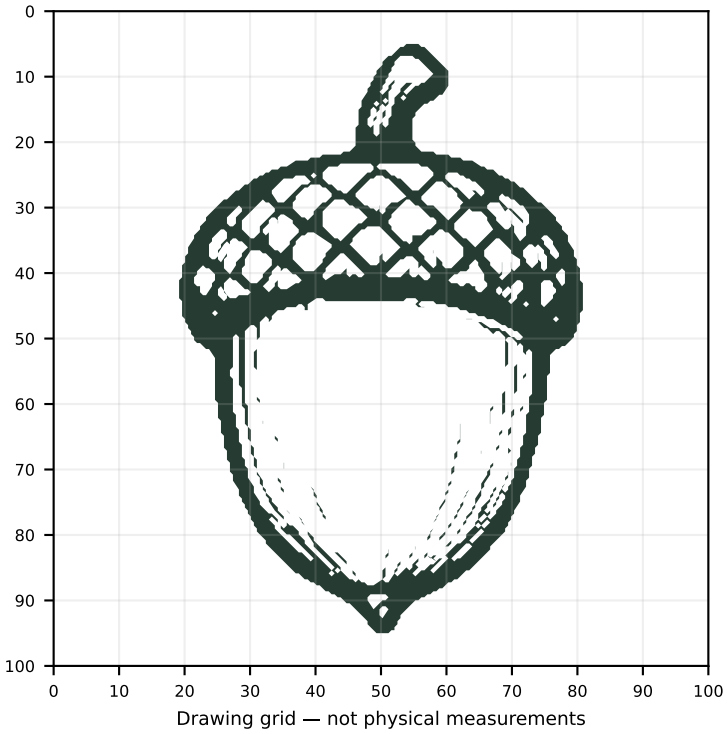

ANSWER: Example solution: preserve rounded nut body with a pointed tip at the bottom, textured cap with a crosshatch pattern, short curved stem on top of the cap. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a rounded oval for the nut body, tapering to a small point at the bottom.
2. Draw a curved cap shape over the top of the nut body, slightly wider than the body.
3. Add a crosshatch pattern inside the cap to show texture.
4. Draw a short, curved stem extending upward from the top of the cap.

How to Draw Acorn — Free Practice Sheets

ANSWER / CASE 4

acorn: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

ANSWER: Example solution: preserve rounded nut body with a pointed tip at the bottom, textured cap with a crosshatch pattern, short curved stem on top of the cap. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a rounded oval for the nut body, tapering to a small point at the bottom.
2. Draw a curved cap shape over the top of the nut body, slightly wider than the body.
3. Add a crosshatch pattern inside the cap to show texture.
4. Draw a short, curved stem extending upward from the top of the cap.
