How to Draw Cotton — Free Practice Sheets

ANSWER / CASE 1

cotton: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

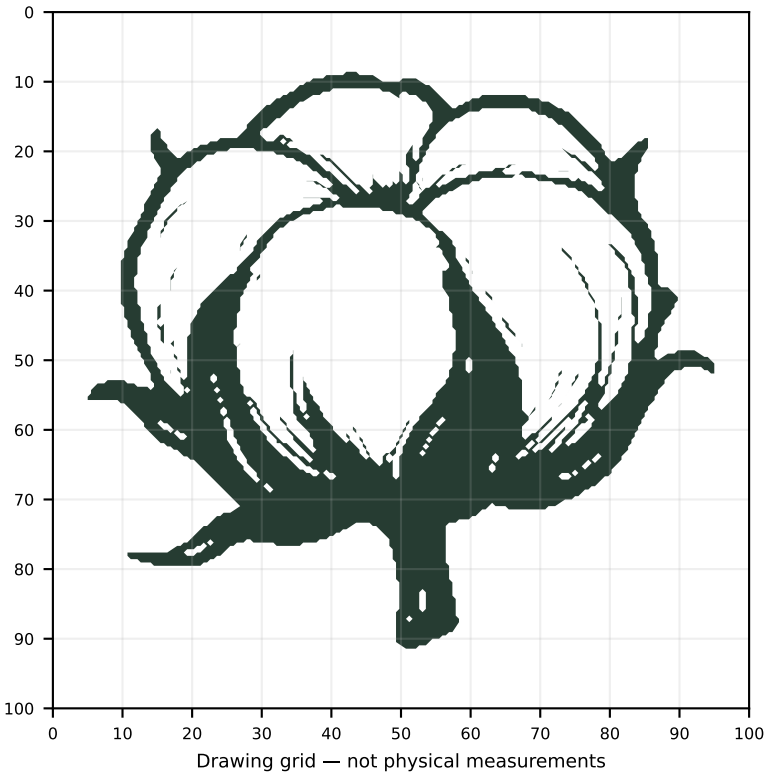

ANSWER: Example solution: preserve rounded fluffy white boll segments with curved interior line shading, dark star-shaped husk/bracts cupping the boll with pointed tips, short thick stem at the bottom with leaf-like bract extensions. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a central rounded cluster of overlapping fluffy boll lobes.
2. Add curved interior lines inside each lobe to suggest soft cotton texture.
3. Draw the dark star-shaped husk around the base with pointed bract tips extending outward.
4. Add a short thick stem at the bottom and connect the bract leaves to it.

ANSWER / CASE 2

cotton: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

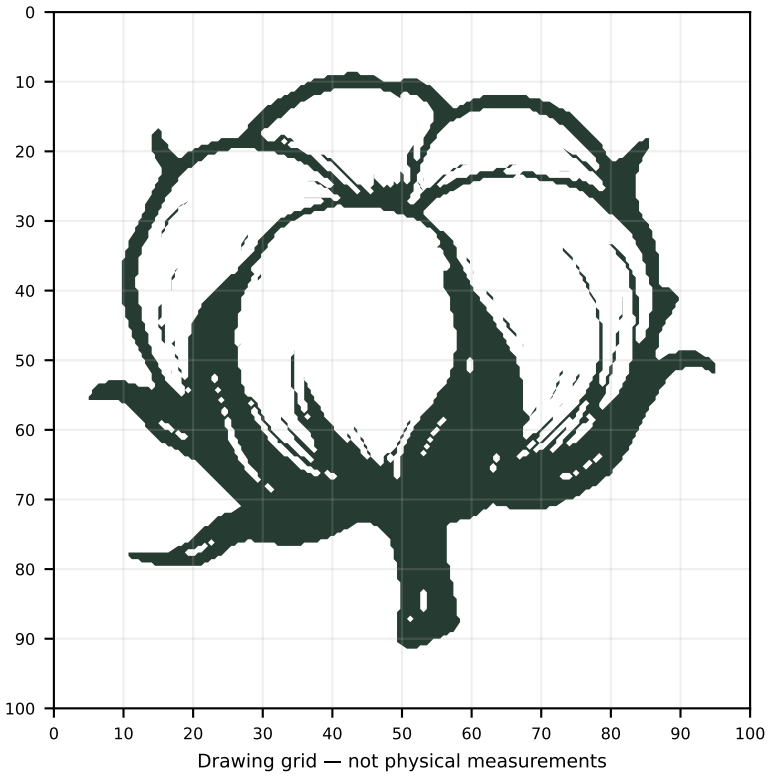

ANSWER: Example solution: preserve rounded fluffy white boll segments with curved interior line shading, dark star-shaped husk/bracts cupping the boll with pointed tips, short thick stem at the bottom with leaf-like bract extensions. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a central rounded cluster of overlapping fluffy boll lobes.
2. Add curved interior lines inside each lobe to suggest soft cotton texture.
3. Draw the dark star-shaped husk around the base with pointed bract tips extending outward.
4. Add a short thick stem at the bottom and connect the bract leaves to it.

How to Draw Cotton — Free Practice Sheets

ANSWER / CASE 3

cotton: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

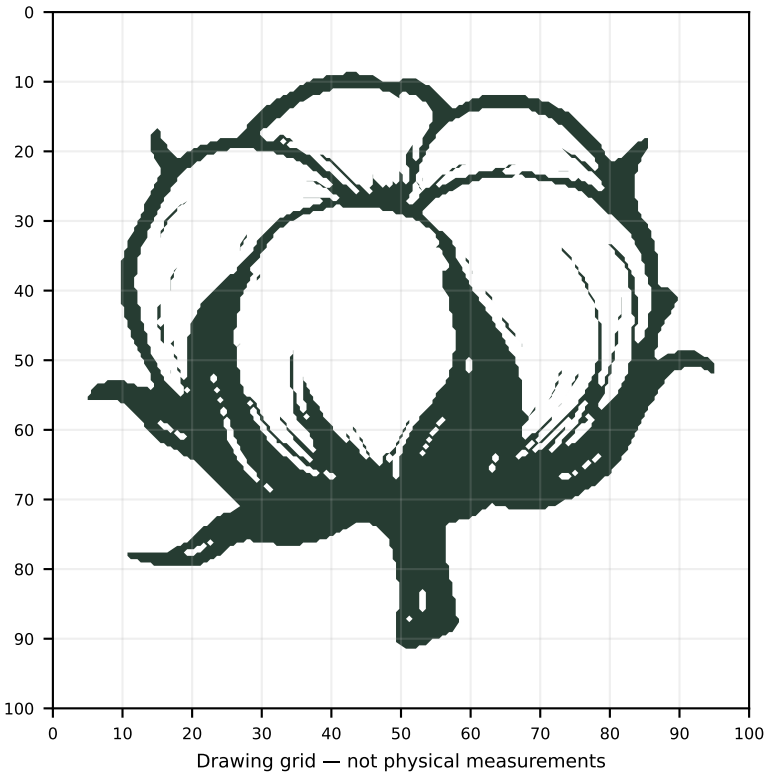

ANSWER: Example solution: preserve rounded fluffy white boll segments with curved interior line shading, dark star-shaped husk/bracts cupping the boll with pointed tips, short thick stem at the bottom with leaf-like bract extensions. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a central rounded cluster of overlapping fluffy boll lobes.
2. Add curved interior lines inside each lobe to suggest soft cotton texture.
3. Draw the dark star-shaped husk around the base with pointed bract tips extending outward.
4. Add a short thick stem at the bottom and connect the bract leaves to it.

How to Draw Cotton — Free Practice Sheets

ANSWER / CASE 4

cotton: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

ANSWER: Example solution: preserve rounded fluffy white boll segments with curved interior line shading, dark star-shaped husk/bracts cupping the boll with pointed tips, short thick stem at the bottom with leaf-like bract extensions. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a central rounded cluster of overlapping fluffy boll lobes.
2. Add curved interior lines inside each lobe to suggest soft cotton texture.
3. Draw the dark star-shaped husk around the base with pointed bract tips extending outward.
4. Add a short thick stem at the bottom and connect the bract leaves to it.
