How to Draw Calla Lily — Free Practice Sheets

REFERENCE / CASE 1

calla lily: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

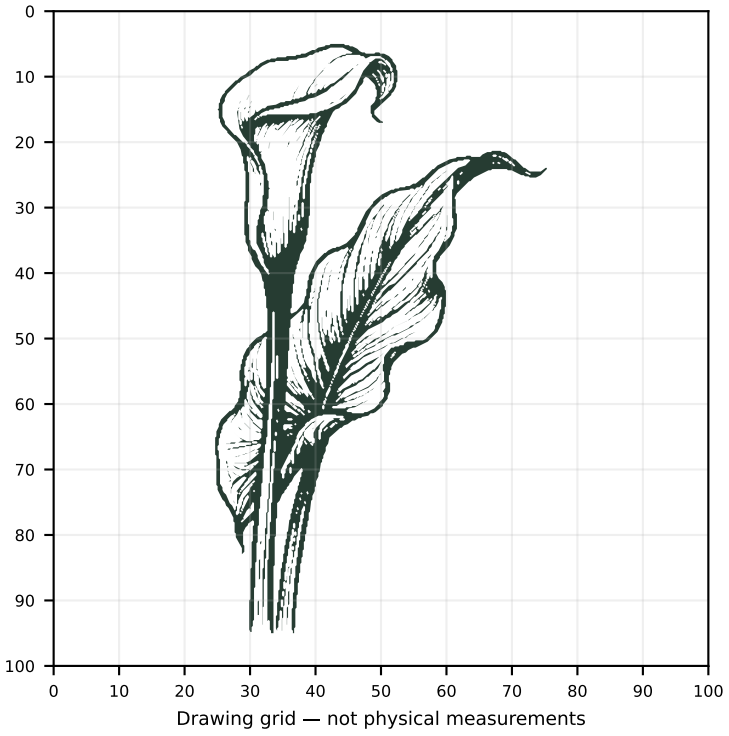

METHOD: Draw a long vertical line for the main stem. At the top of the stem, sketch the trumpet-shaped flower by drawing a curved cup that folds over at the top edge. Add a second long stem beside the first for the leaf. Draw the broad leaf as a large wavy shape attached to the second stem, then add the central vein and side vein lines.
Use the separate practice sheet before checking the answer.
