How to Draw Lily Pad — Free Practice Sheets

REFERENCE / CASE 1

lily pad: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

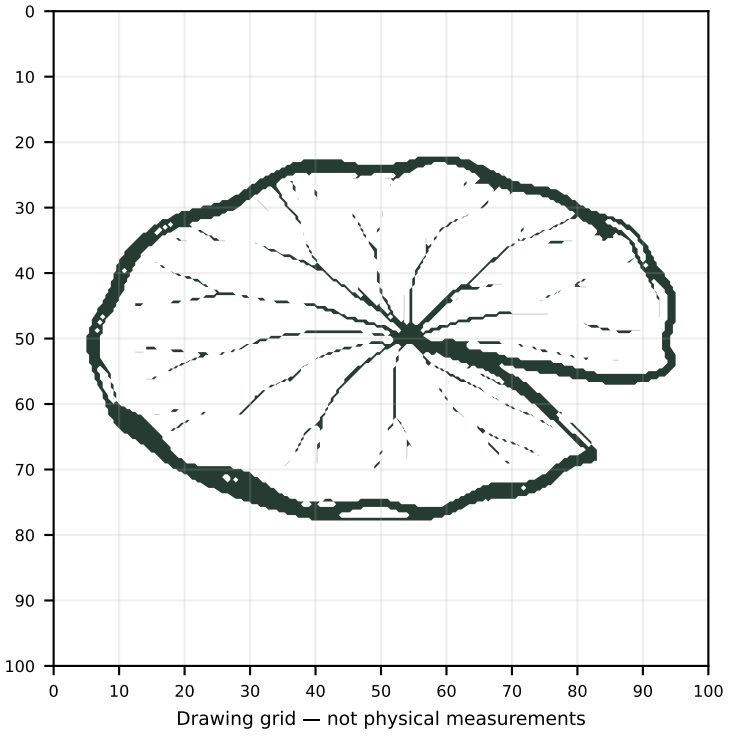

METHOD: Draw a large flattened oval/circle for the leaf body. Cut a V-shaped notch into the right edge to create the lily pad slit. Mark a central hub point and draw radiating vein lines outward. Add secondary branching veins and thicken the outer contour.
Use the separate practice sheet before checking the answer.

How to Draw Lily Pad — Free Practice Sheets

REFERENCE / CASE 2

lily pad: Copy the reference onto the blank grid, using matching grid intersections.
Compare with the separate full reference sheet.

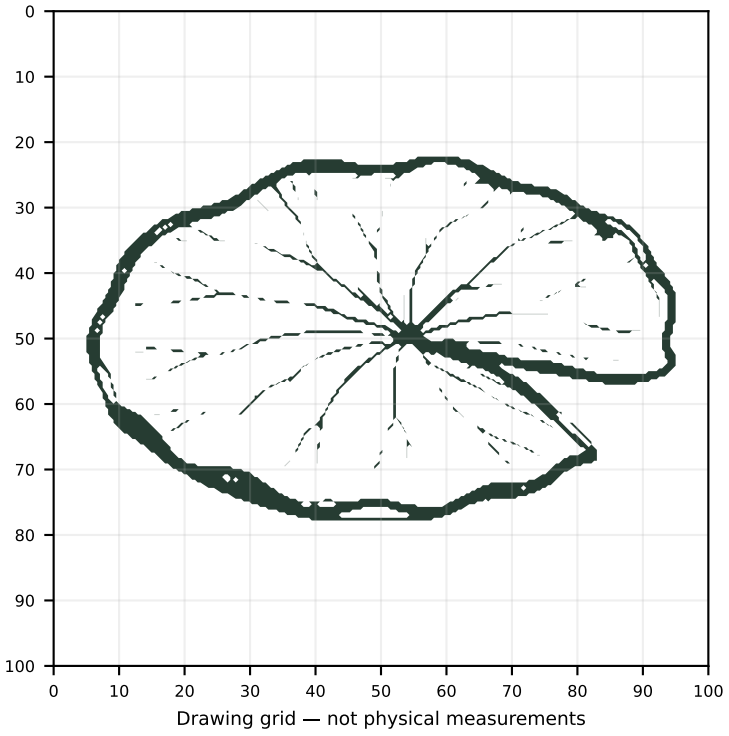

METHOD: Draw a large flattened oval/circle for the leaf body. Cut a V-shaped notch into the right edge to create the lily pad slit. Mark a central hub point and draw radiating vein lines outward. Add secondary branching veins and thicken the outer contour.
Use the separate practice sheet before checking the answer.
