How to Draw Cherry Blossom — Free Practice Sheets

REFERENCE / CASE 1

cherry blossom: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

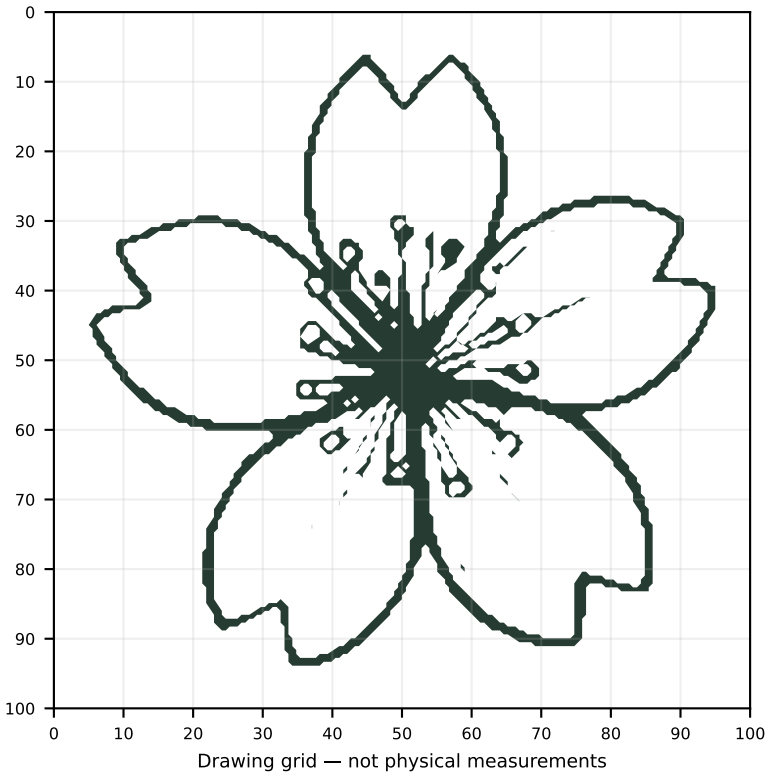

METHOD: Draw a small central point to anchor the flower. Sketch five evenly spaced petals around the center, giving each a rounded outline with a small notch at the tip. Add a cluster of thin stamens radiating from the center, ending in small circles for anthers. Outline the petals with a thicker contour and add light interior vein lines from the center outward.
Use the separate practice sheet before checking the answer.
