How to Draw Bonsai — Free Practice Sheets

REFERENCE / CASE 1

bonsai: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

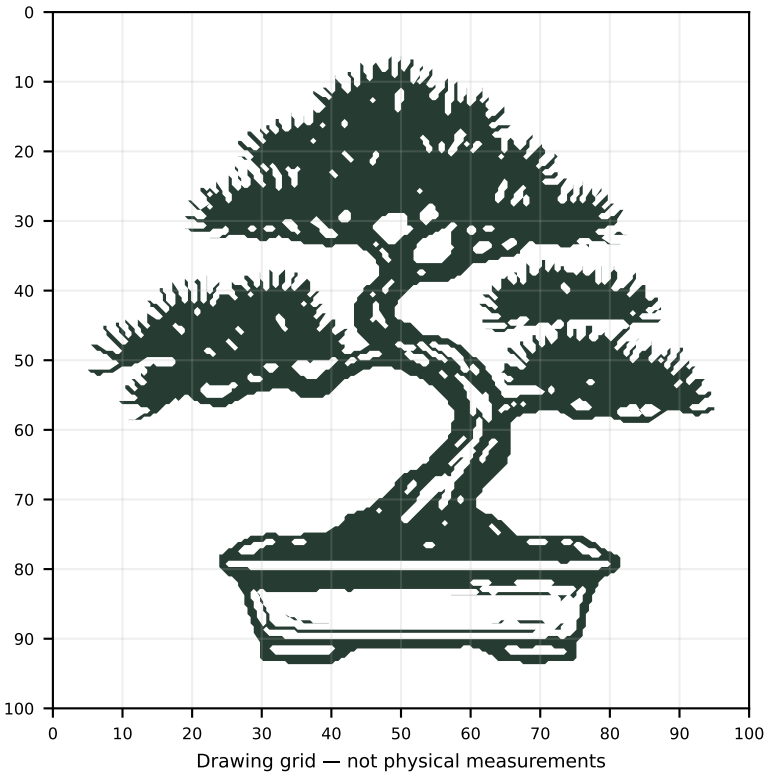

METHOD: Draw the shallow rectangular pot with a rim and two small feet at the bottom. Sketch the S-shaped trunk rising from the pot center, adding curved bark lines. Add three main canopy pads: a large top pad, a left pad, and a right pad. Fill each canopy pad with radiating needle strokes to create fan-like foliage clusters.
Use the separate practice sheet before checking the answer.
