How to Draw Grapevine — Free Practice Sheets

REFERENCE / CASE 1

grapevine: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

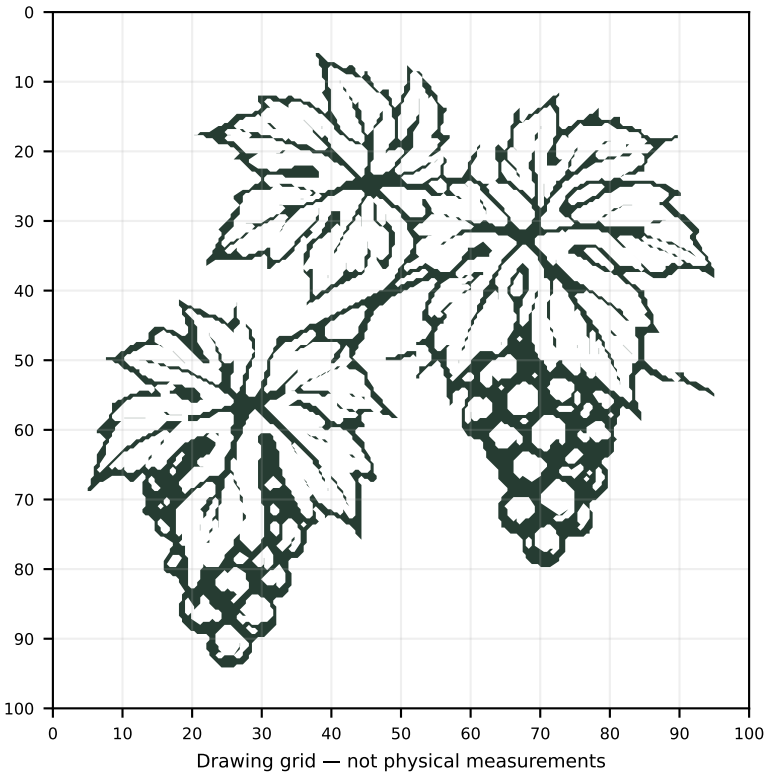

METHOD: Draw a central branching vine stem with a few curling tendrils. Attach three broad lobed leaves with serrated edges and radiating veins to the stem. Hang two clusters of overlapping round grapes from the stem, one on each side. Add small curling tendrils near the grape clusters to complete the grapevine silhouette.
Use the separate practice sheet before checking the answer.

How to Draw Grapevine — Free Practice Sheets

REFERENCE / CASE 2

grapevine: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

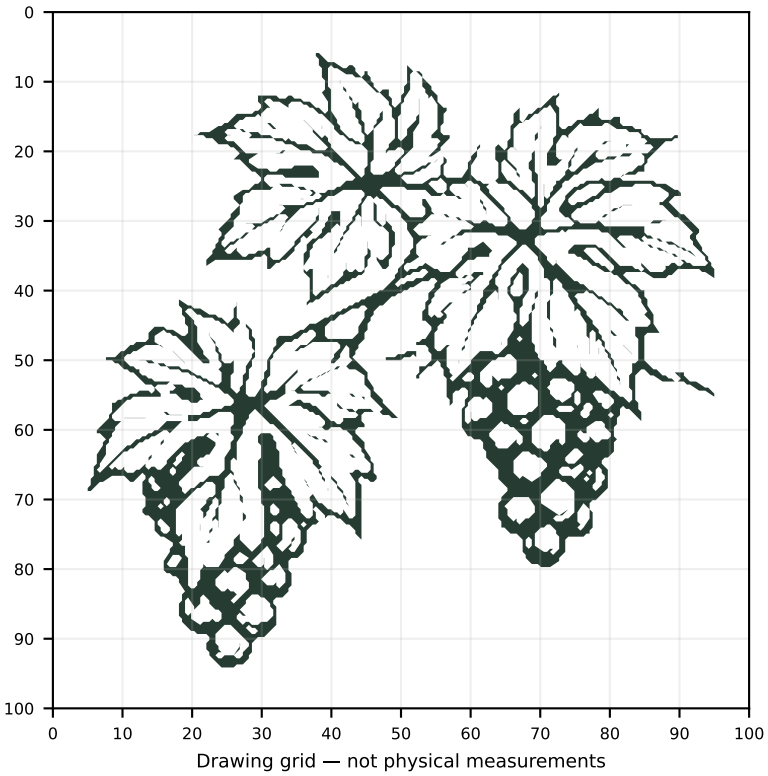

METHOD: Draw a central branching vine stem with a few curling tendrils. Attach three broad lobed leaves with serrated edges and radiating veins to the stem. Hang two clusters of overlapping round grapes from the stem, one on each side. Add small curling tendrils near the grape clusters to complete the grapevine silhouette.
Use the separate practice sheet before checking the answer.

How to Draw Grapevine — Free Practice Sheets

REFERENCE / CASE 3

grapevine: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

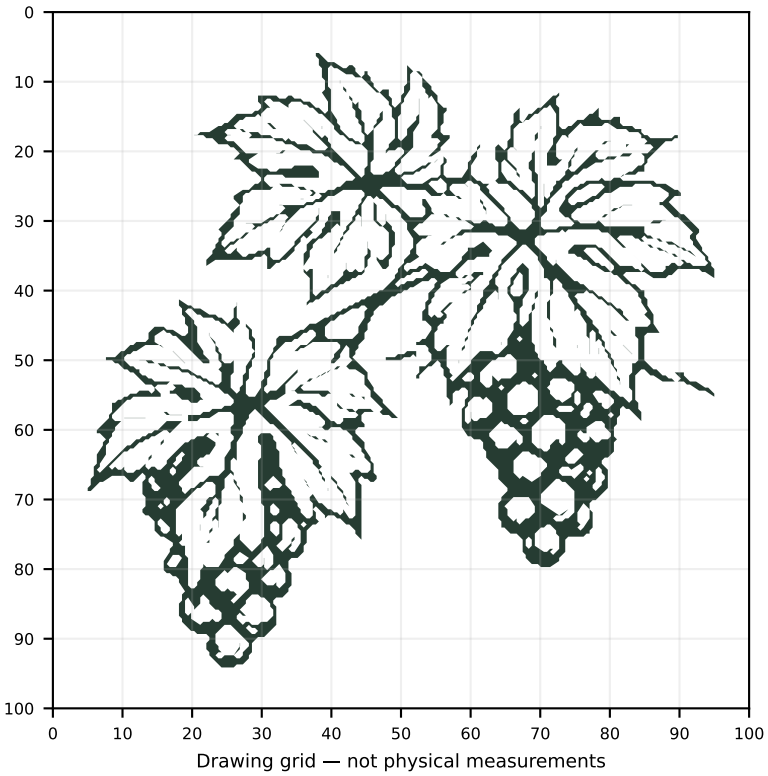

METHOD: Draw a central branching vine stem with a few curling tendrils. Attach three broad lobed leaves with serrated edges and radiating veins to the stem. Hang two clusters of overlapping round grapes from the stem, one on each side. Add small curling tendrils near the grape clusters to complete the grapevine silhouette.
Use the separate practice sheet before checking the answer.

How to Draw Grapevine — Free Practice Sheets

REFERENCE / CASE 4

grapevine: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw a central branching vine stem with a few curling tendrils. Attach three broad lobed leaves with serrated edges and radiating veins to the stem. Hang two clusters of overlapping round grapes from the stem, one on each side. Add small curling tendrils near the grape clusters to complete the grapevine silhouette.
Use the separate practice sheet before checking the answer.
