How to Draw Thistle — Free Practice Sheets

REFERENCE / CASE 1

thistle: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

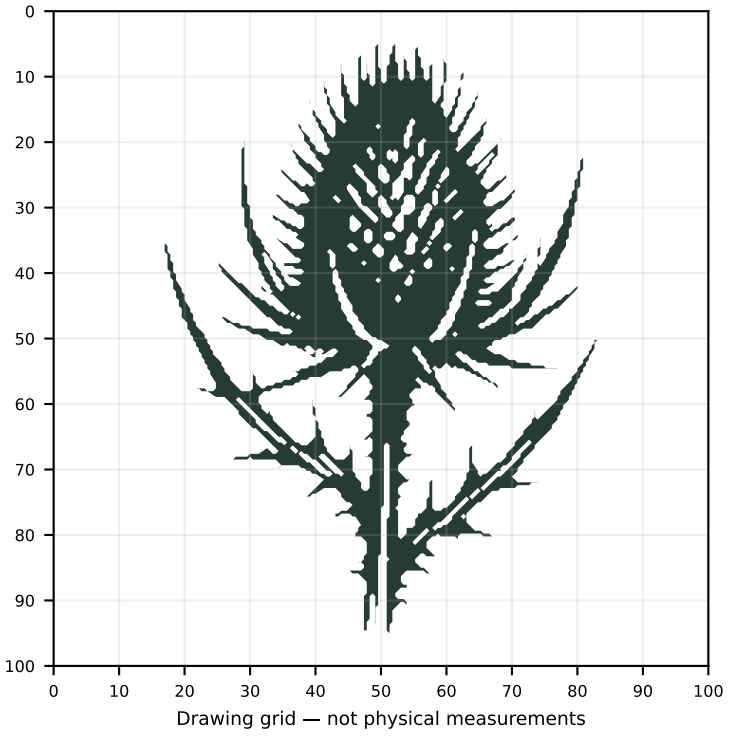

METHOD: Draw a vertical central stem line with small thorn spikes along its sides. At the top, sketch an oval flower head and add many short radiating spikes around its perimeter. Attach several long, pointed leaves to the stem, giving each leaf jagged, spiny edges. Outline the flower head with overlapping bract shapes to create the dense spiky texture. Use the separate practice sheet before checking the answer.
