How to Draw Alfalfa — Free Practice Sheets

REFERENCE / CASE 1

alfalfa: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

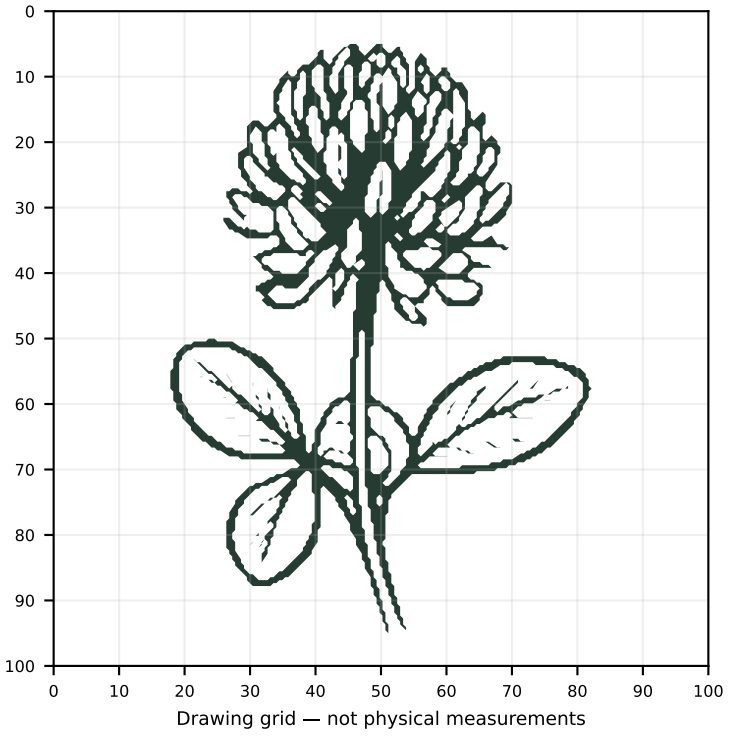

METHOD: Draw a thin central vertical stem for the flower stalk. At the top, build a rounded cluster by layering many small overlapping petal shapes. Attach three oval leaflets to short petioles on the lower stem to form the trifoliate leaf. Add simple vein lines inside each leaflet and finish the stem lines down to the base.
Use the separate practice sheet before checking the answer.

How to Draw Alfalfa — Free Practice Sheets

REFERENCE / CASE 2

alfalfa: Copy the reference onto the blank grid, using matching grid intersections.
Compare with the separate full reference sheet.

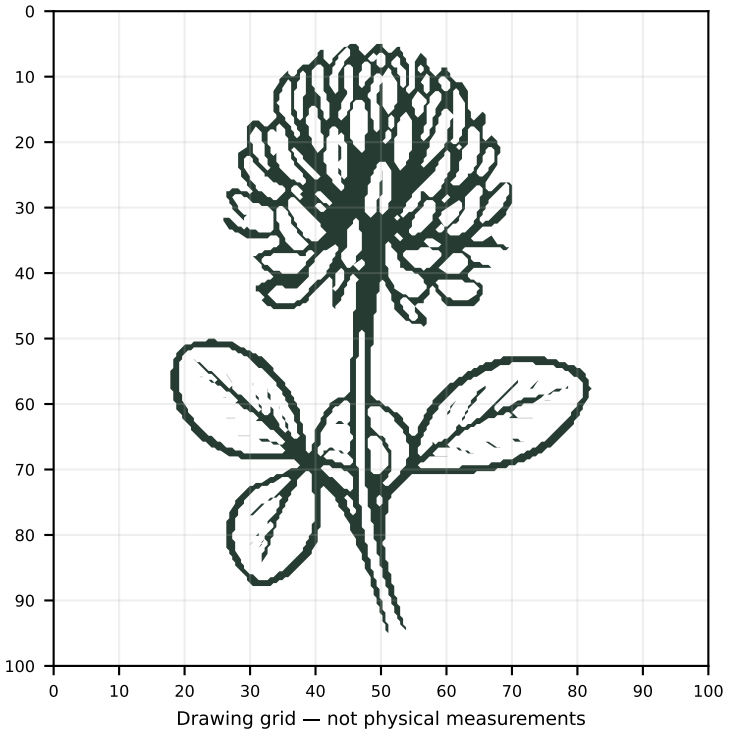

METHOD: Draw a thin central vertical stem for the flower stalk. At the top, build a rounded cluster by layering many small overlapping petal shapes. Attach three oval leaflets to short petioles on the lower stem to form the trifoliate leaf. Add simple vein lines inside each leaflet and finish the stem lines down to the base.
Use the separate practice sheet before checking the answer.

How to Draw Alfalfa — Free Practice Sheets

REFERENCE / CASE 3

alfalfa: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

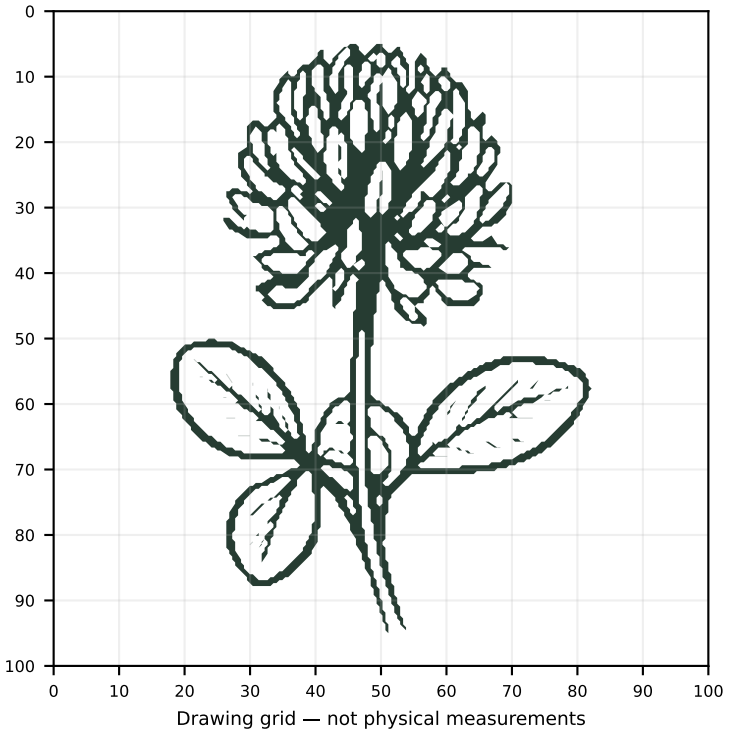

METHOD: Draw a thin central vertical stem for the flower stalk. At the top, build a rounded cluster by layering many small overlapping petal shapes. Attach three oval leaflets to short petioles on the lower stem to form the trifoliate leaf. Add simple vein lines inside each leaflet and finish the stem lines down to the base.
Use the separate practice sheet before checking the answer.

How to Draw Alfalfa — Free Practice Sheets

REFERENCE / CASE 4

alfalfa: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw a thin central vertical stem for the flower stalk. At the top, build a rounded cluster by layering many small overlapping petal shapes. Attach three oval leaflets to short petioles on the lower stem to form the trifoliate leaf. Add simple vein lines inside each leaflet and finish the stem lines down to the base.
Use the separate practice sheet before checking the answer.
