How to Draw Daisy — Free Practice Sheets

REFERENCE / CASE 1

daisy: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

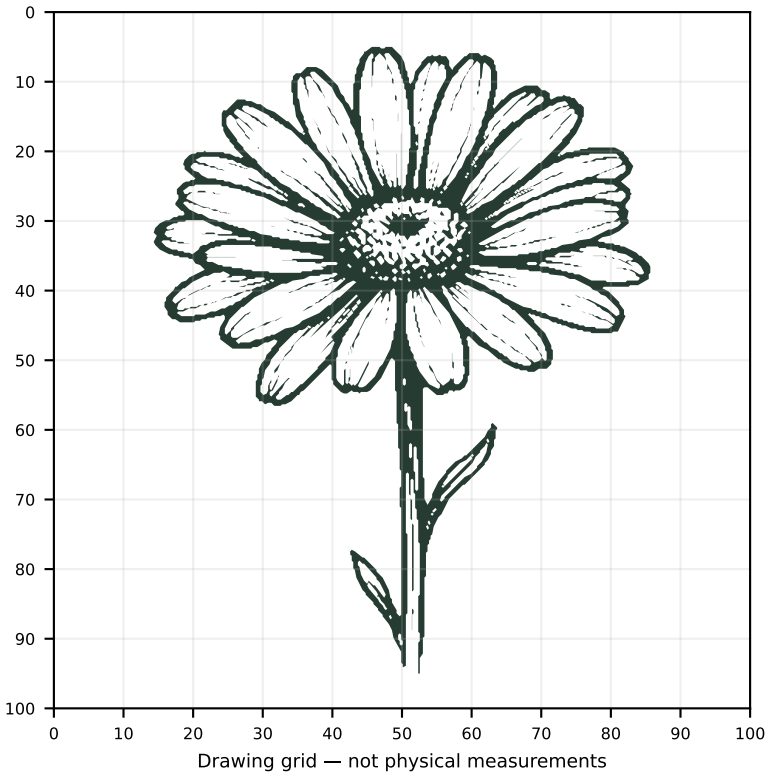

METHOD: Draw a small circle for the central disk. Draw elongated petals radiating outward from the disk, overlapping slightly. Add a thin vertical stem extending down from the flower head. Attach two small pointed leaves to the stem and add texture dots to the central disk.
Use the separate practice sheet before checking the answer.

How to Draw Daisy — Free Practice Sheets

REFERENCE / CASE 2

daisy: Copy the reference onto the blank grid, using matching grid intersections.
Compare with the separate full reference sheet.

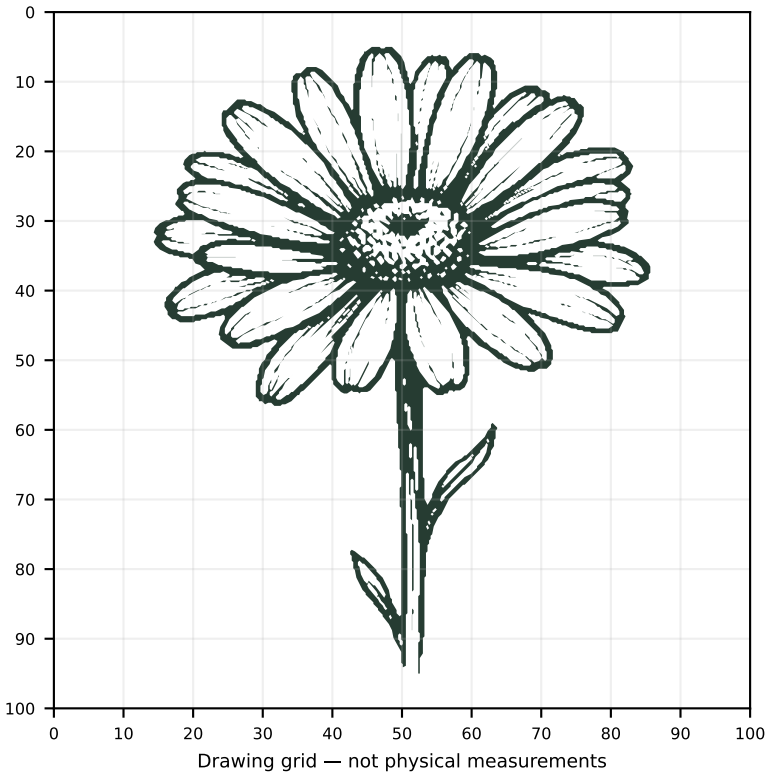

METHOD: Draw a small circle for the central disk. Draw elongated petals radiating outward from the disk, overlapping slightly. Add a thin vertical stem extending down from the flower head. Attach two small pointed leaves to the stem and add texture dots to the central disk.
Use the separate practice sheet before checking the answer.

How to Draw Daisy — Free Practice Sheets

REFERENCE / CASE 3

daisy: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

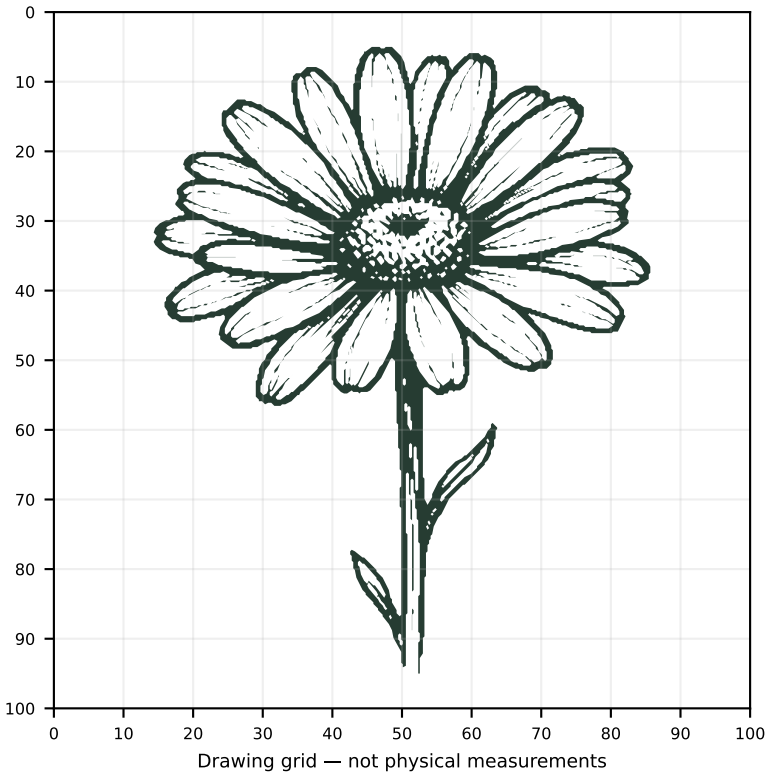

METHOD: Draw a small circle for the central disk. Draw elongated petals radiating outward from the disk, overlapping slightly. Add a thin vertical stem extending down from the flower head. Attach two small pointed leaves to the stem and add texture dots to the central disk.
Use the separate practice sheet before checking the answer.

How to Draw Daisy — Free Practice Sheets

REFERENCE / CASE 4

daisy: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw a small circle for the central disk. Draw elongated petals radiating outward from the disk, overlapping slightly. Add a thin vertical stem extending down from the flower head. Attach two small pointed leaves to the stem and add texture dots to the central disk.
Use the separate practice sheet before checking the answer.
