How to Draw Morel Mushroom — Free Practice Sheets

ANSWER / CASE 1

morel mushroom: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

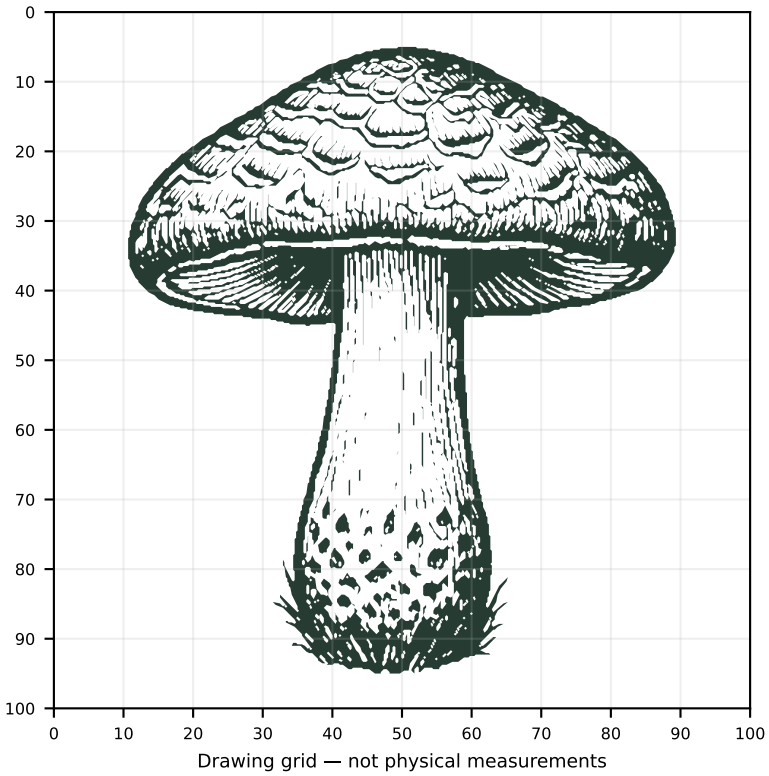

ANSWER: Example solution: preserve dome-shaped cap with honeycomb-like pitted texture, tall, thick stem with vertical lines and mottled base, cap underside shows radiating gill-like lines. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a large dome/oval for the cap and a tall vertical rectangle for the stem.
2. Add a wavy honeycomb pattern of pits across the cap surface.
3. Draw vertical lines down the stem and add small spots near the base.
4. Add short grass strokes at the bottom and define the cap underside with radiating lines.

How to Draw Morel Mushroom — Free Practice Sheets

ANSWER / CASE 2

morel mushroom: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

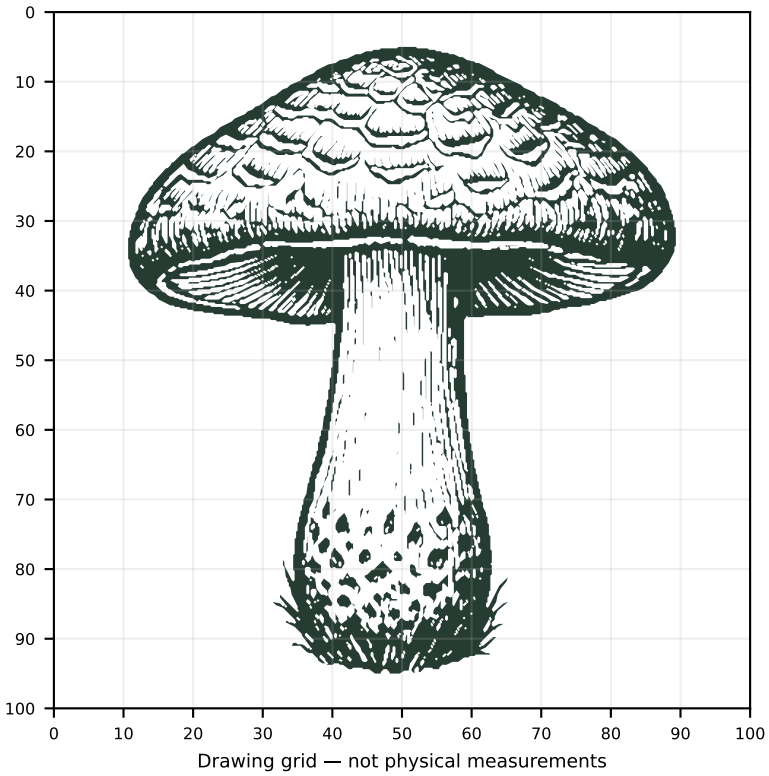

ANSWER: Example solution: preserve dome-shaped cap with honeycomb-like pitted texture, tall, thick stem with vertical lines and mottled base, cap underside shows radiating gill-like lines. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.

1. Draw a large dome/oval for the cap and a tall vertical rectangle for the stem.
2. Add a wavy honeycomb pattern of pits across the cap surface.
3. Draw vertical lines down the stem and add small spots near the base.
4. Add short grass strokes at the bottom and define the cap underside with radiating lines.

ANSWER / CASE 3

morel mushroom: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

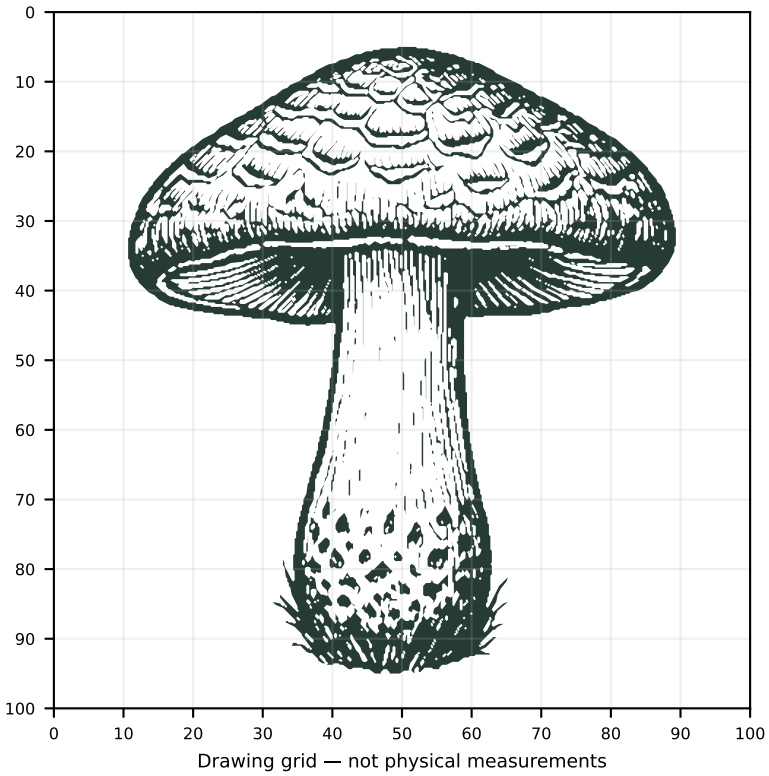

ANSWER: Example solution: preserve dome-shaped cap with honeycomb-like pitted texture, tall, thick stem with vertical lines and mottled base, cap underside shows radiating gill-like lines. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.

1. Draw a large dome/oval for the cap and a tall vertical rectangle for the stem.
2. Add a wavy honeycomb pattern of pits across the cap surface.
3. Draw vertical lines down the stem and add small spots near the base.
4. Add short grass strokes at the bottom and define the cap underside with radiating lines.

How to Draw Morel Mushroom — Free Practice Sheets

ANSWER / CASE 4

morel mushroom: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

ANSWER: Example solution: preserve dome-shaped cap with honeycomb-like pitted texture, tall, thick stem with vertical lines and mottled base, cap underside shows radiating gill-like lines. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.

1. Draw a large dome/oval for the cap and a tall vertical rectangle for the stem.
2. Add a wavy honeycomb pattern of pits across the cap surface.
3. Draw vertical lines down the stem and add small spots near the base.
4. Add short grass strokes at the bottom and define the cap underside with radiating lines.
