How to Draw Morel Mushroom — Free Practice Sheets

REFERENCE / CASE 1

morel mushroom: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

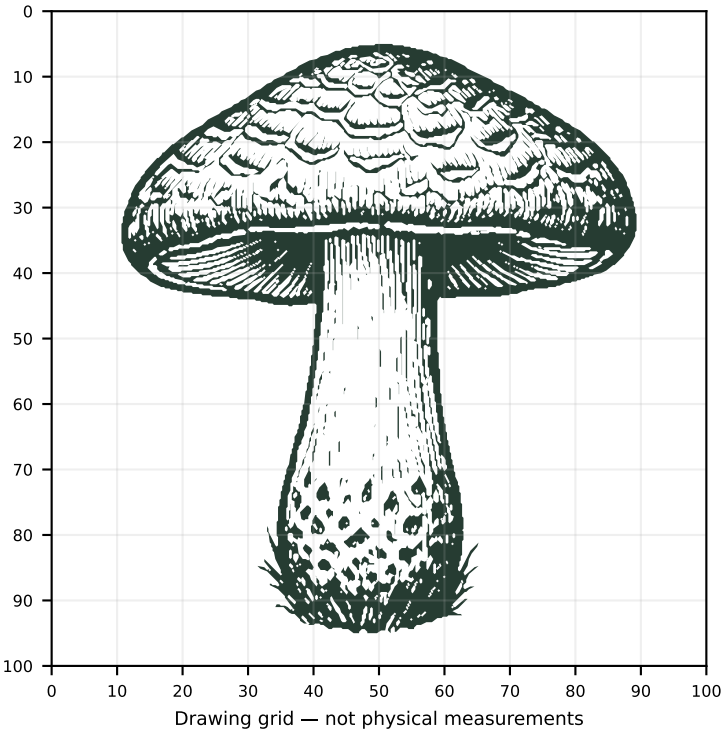

METHOD: Draw a large dome/oval for the cap and a tall vertical rectangle for the stem. Add a wavy honeycomb pattern of pits across the cap surface. Draw vertical lines down the stem and add small spots near the base. Add short grass strokes at the bottom and define the cap underside with radiating lines.
Use the separate practice sheet before checking the answer.
