How to Draw Corn — Free Practice Sheets

REFERENCE / CASE 1

corn: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

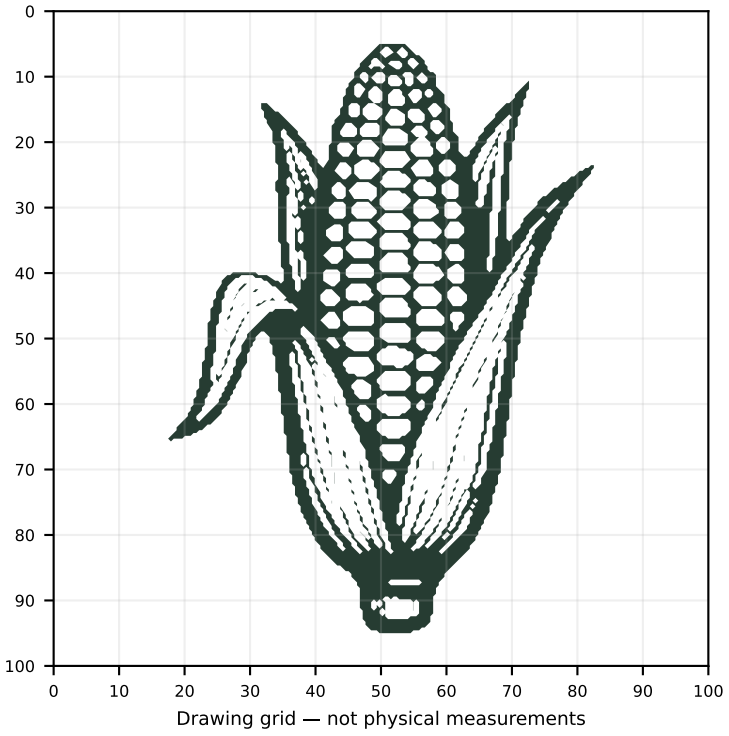

METHOD: Draw a vertical tapered oval for the cob, wider near the top and narrowing toward the bottom. Add a grid of small rounded rectangles in rows to represent kernels across the cob. Draw long, pointed husk leaves on both sides, starting at the base and curving upward around the cob. Add a short stalk at the bottom and a curled husk leaf extending to the left.
Use the separate practice sheet before checking the answer.

How to Draw Corn — Free Practice Sheets

REFERENCE / CASE 2

corn: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

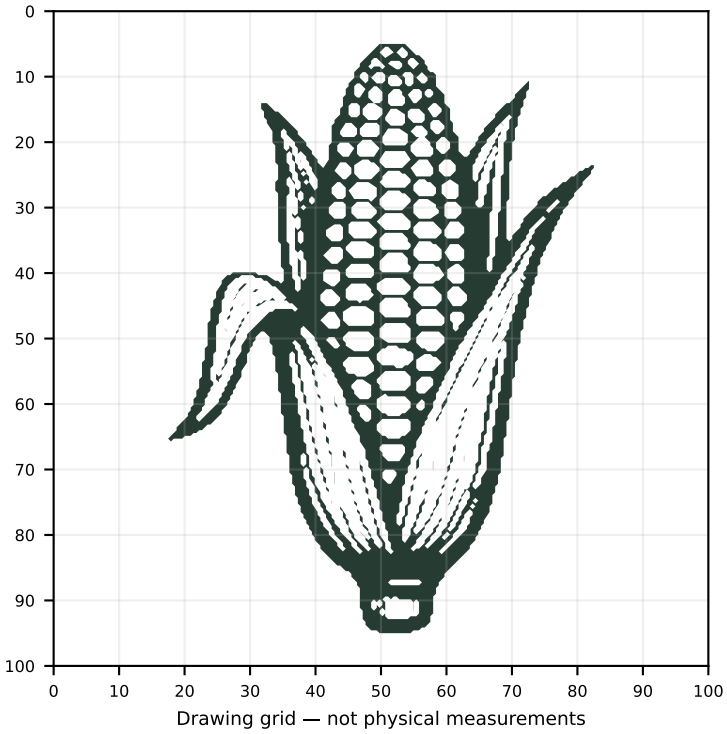

METHOD: Draw a vertical tapered oval for the cob, wider near the top and narrowing toward the bottom. Add a grid of small rounded rectangles in rows to represent kernels across the cob. Draw long, pointed husk leaves on both sides, starting at the base and curving upward around the cob. Add a short stalk at the bottom and a curled husk leaf extending to the left.
Use the separate practice sheet before checking the answer.

How to Draw Corn — Free Practice Sheets

REFERENCE / CASE 3

corn: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

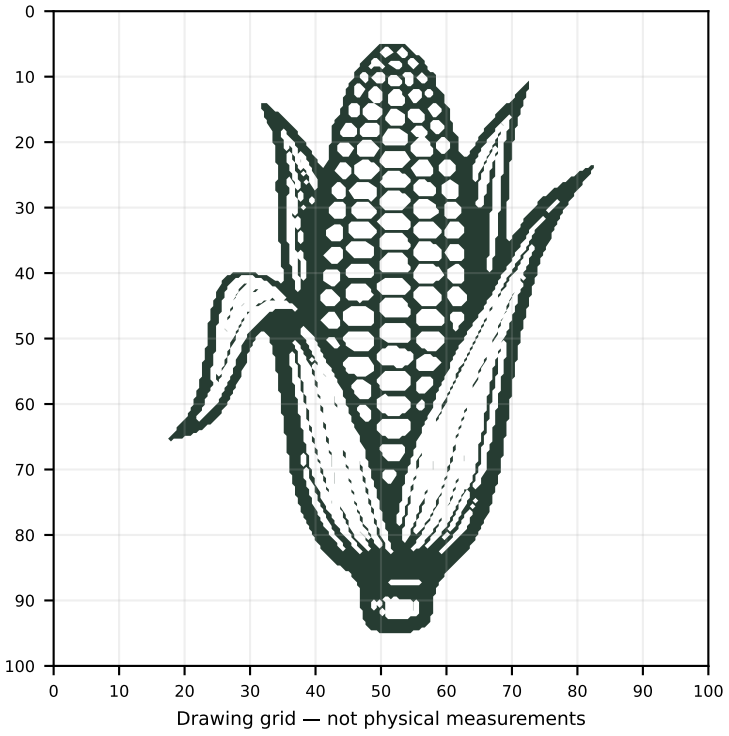

METHOD: Draw a vertical tapered oval for the cob, wider near the top and narrowing toward the bottom. Add a grid of small rounded rectangles in rows to represent kernels across the cob. Draw long, pointed husk leaves on both sides, starting at the base and curving upward around the cob. Add a short stalk at the bottom and a curled husk leaf extending to the left.
Use the separate practice sheet before checking the answer.

How to Draw Corn — Free Practice Sheets

REFERENCE / CASE 4

corn: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw a vertical tapered oval for the cob, wider near the top and narrowing toward the bottom. Add a grid of small rounded rectangles in rows to represent kernels across the cob. Draw long, pointed husk leaves on both sides, starting at the base and curving upward around the cob. Add a short stalk at the bottom and a curled husk leaf extending to the left.
Use the separate practice sheet before checking the answer.
