How to Draw Wisteria — Free Practice Sheets

REFERENCE / CASE 1

wisteria: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

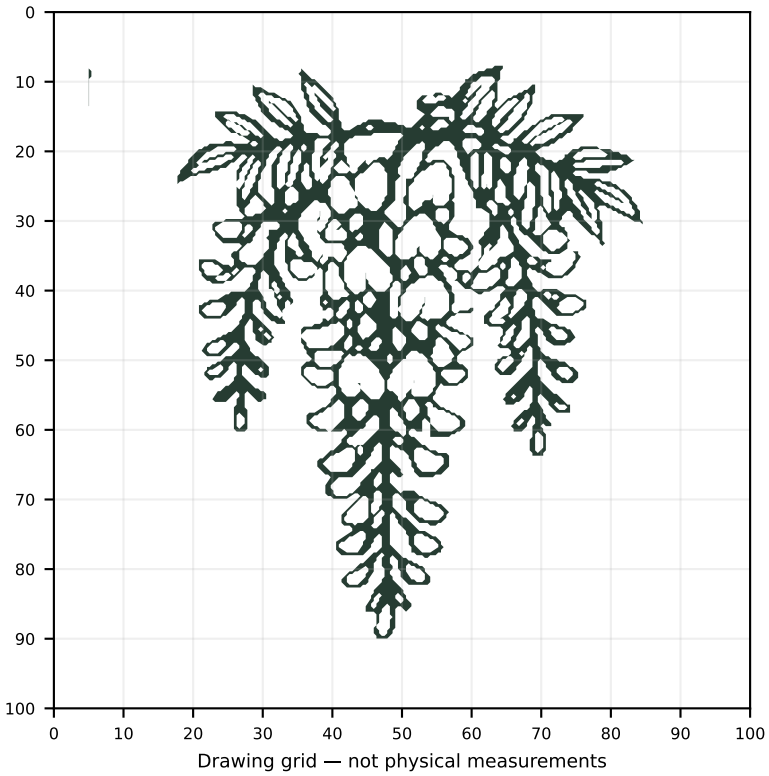

METHOD: Draw a central curving vine stem with two side branches arching outward and downward. Along each branch, sketch a long teardrop-shaped raceme outline that tapers toward the bottom. Fill each raceme with rows of small overlapping blossom shapes, using simple oval/petal forms. Add pinnate leaves by drawing a midrib and attaching paired small oval leaflets along the upper stems.
Use the separate practice sheet before checking the answer.
