How to Draw Jet Ski — Free Practice Sheets

REFERENCE / CASE 1

jet ski: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

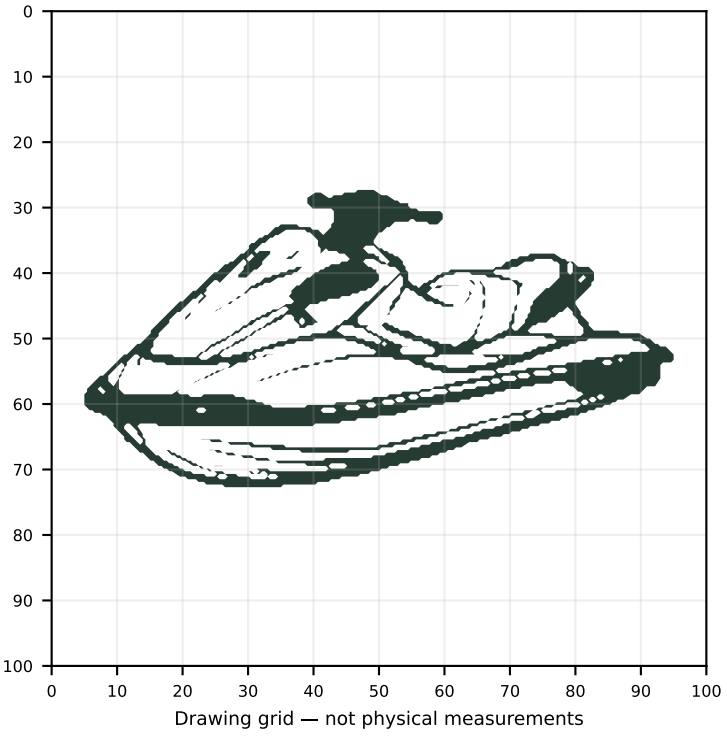

METHOD: Draw the long curved hull outline with a pointed front and flat rear deck. Add the raised steering column and handlebars above the front section. Sketch the seat behind the handlebars, following the hull's top line. Add simple contour lines for the footwells and side trim to complete the shape.
Use the separate practice sheet before checking the answer.

REFERENCE / CASE 2

jet ski: Copy the reference onto the blank grid, using matching grid intersections.
Compare with the separate full reference sheet.

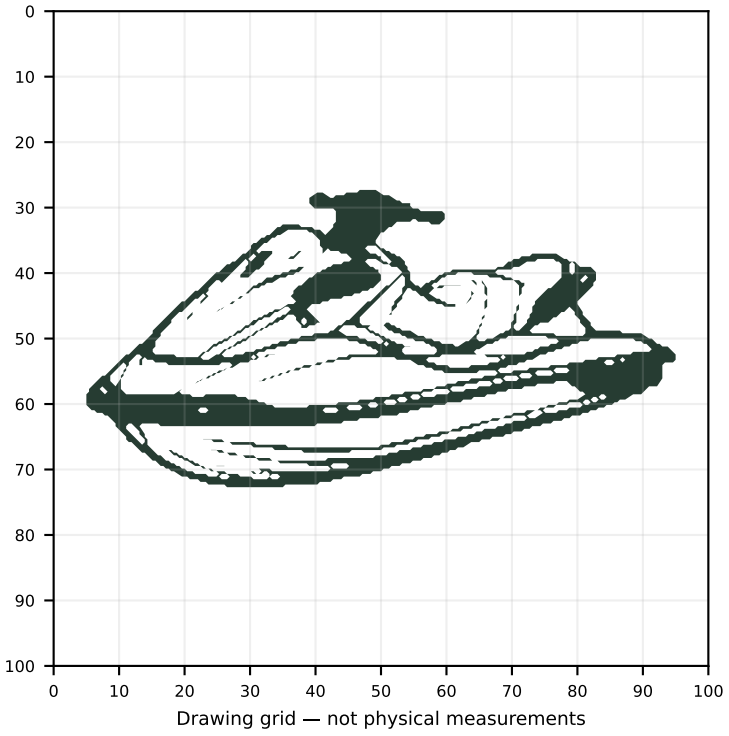

METHOD: Draw the long curved hull outline with a pointed front and flat rear deck. Add the raised steering column and handlebars above the front section. Sketch the seat behind the handlebars, following the hull's top line. Add simple contour lines for the footwells and side trim to complete the shape.
Use the separate practice sheet before checking the answer.

How to Draw Jet Ski — Free Practice Sheets

REFERENCE / CASE 3

jet ski: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

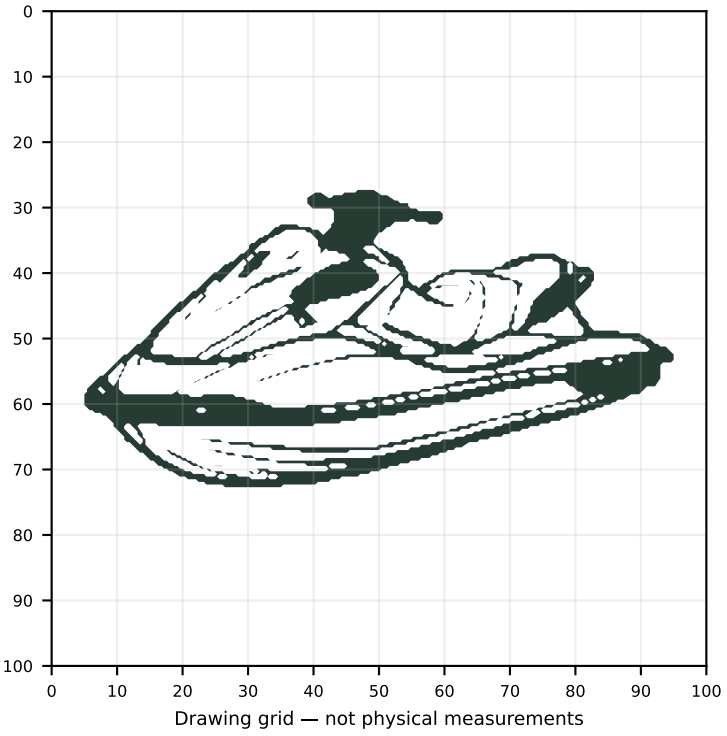

METHOD: Draw the long curved hull outline with a pointed front and flat rear deck. Add the raised steering column and handlebars above the front section. Sketch the seat behind the handlebars, following the hull's top line. Add simple contour lines for the footwells and side trim to complete the shape.
Use the separate practice sheet before checking the answer.

How to Draw Jet Ski — Free Practice Sheets

REFERENCE / CASE 4

jet ski: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw the long curved hull outline with a pointed front and flat rear deck. Add the raised steering column and handlebars above the front section. Sketch the seat behind the handlebars, following the hull's top line. Add simple contour lines for the footwells and side trim to complete the shape.
Use the separate practice sheet before checking the answer.
