How to Draw Fishing Boat — Free Practice Sheets

REFERENCE / CASE 1

fishing boat: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

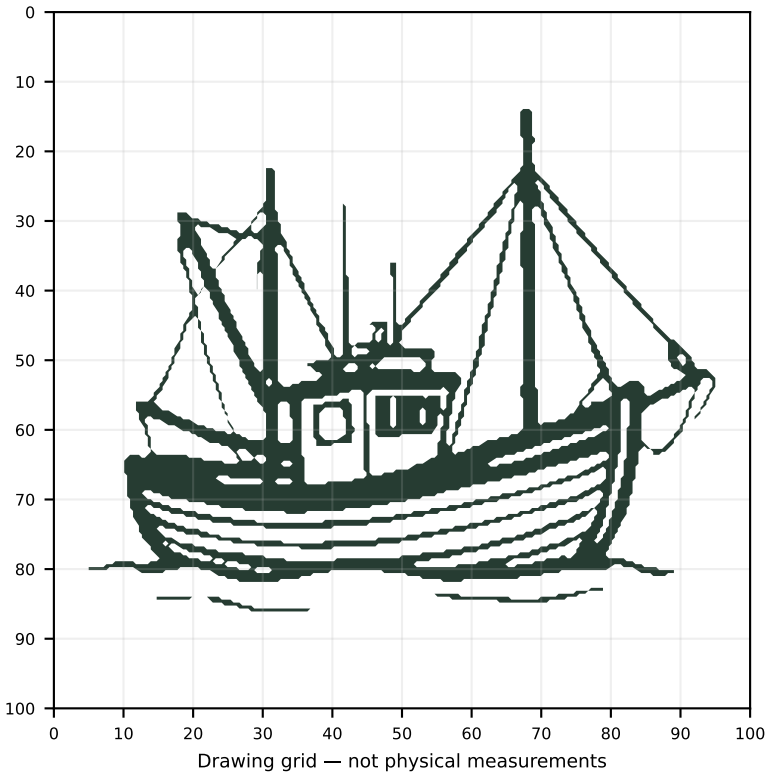

METHOD: Draw a wide curved hull outline with a flat top deck line and several parallel horizontal lines inside for planking. Place a rectangular cabin on the deck slightly left of center, adding a small roof overhang and two rectangular windows. Draw a tall vertical mast near the right side and a shorter angled mast/boom on the left, connecting them with straight rigging lines. Add a small funnel or vent on the cabin roof and finish with simple wavy water lines beneath the hull.
Use the separate practice sheet before checking the answer.
