How to Draw Camper — Free Practice Sheets

REFERENCE / CASE 1

camper: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

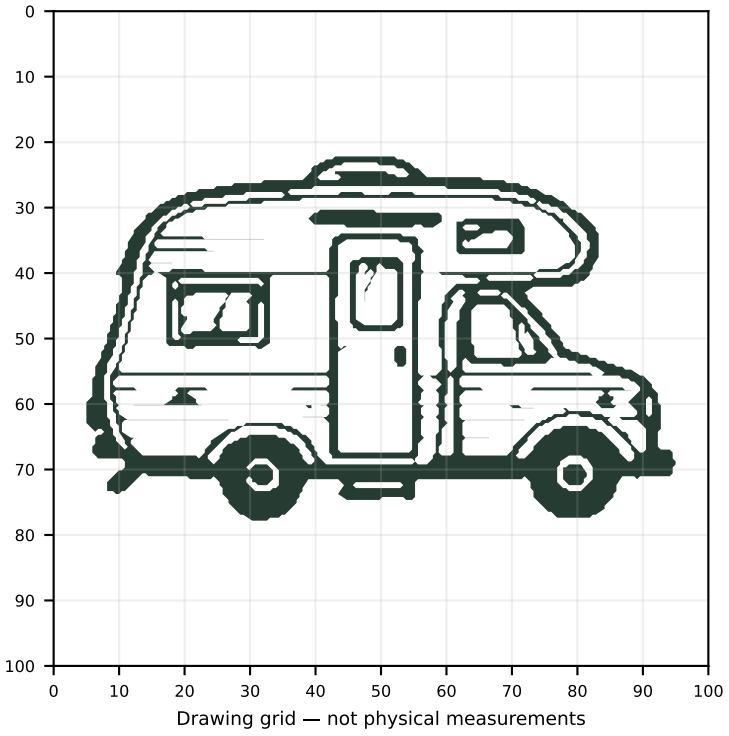

METHOD: Draw the main boxy living cabin outline with a rounded over-cab section extending forward. Add the side window, door, and small upper window on the cabin. Draw the front cab area with windshield and hood connected to the cabin. Add two wheels underneath and a rear bumper line to complete the camper silhouette.
Use the separate practice sheet before checking the answer.
