How to Draw Stagecoach — Free Practice Sheets

REFERENCE / CASE 1

stagecoach: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

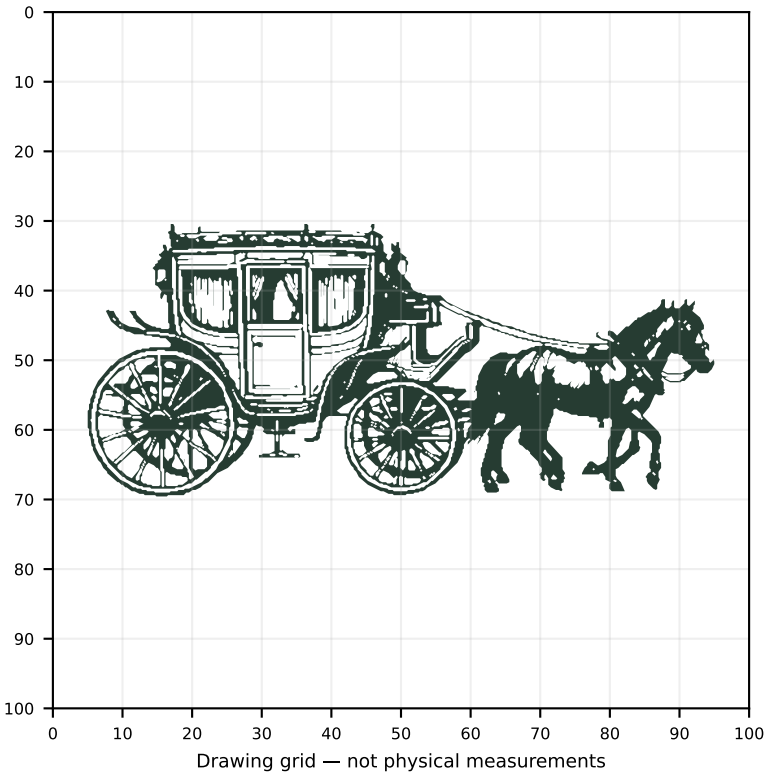

METHOD: Draw the boxy passenger cabin as a large rectangle with a slightly arched roof and window/door panels. Add four large spoked wheels: two larger rear wheels and two smaller front wheels, each with a hub and radiating spokes. Sketch the horse team at the front, showing the visible horse's body, head, and four legs in a walking pose. Connect the horses to the coach with harness lines and add the driver's seat and undercarriage details.
Use the separate practice sheet before checking the answer.
