How to Draw Stagecoach — Free Practice Sheets

ANSWER / CASE 1

stagecoach: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

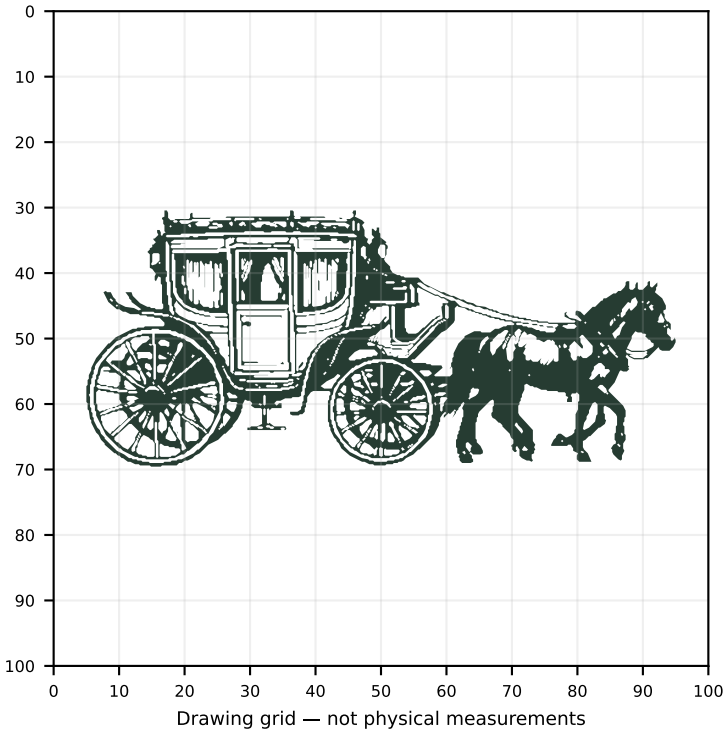

ANSWER: Example solution: preserve four large spoked wheels, boxy passenger cabin with windows and door, team of horses at front (one visible horse). Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw the boxy passenger cabin as a large rectangle with a slightly arched roof and window/door panels.
2. Add four large spoked wheels: two larger rear wheels and two smaller front wheels, each with a hub and radiating spokes.
3. Sketch the horse team at the front, showing the visible horse's body, head, and four legs in a walking pose.
4. Connect the horses to the coach with harness lines and add the driver's seat and undercarriage details.
