How to Draw Monster Truck — Free Practice Sheets

REFERENCE / CASE 1

monster truck: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

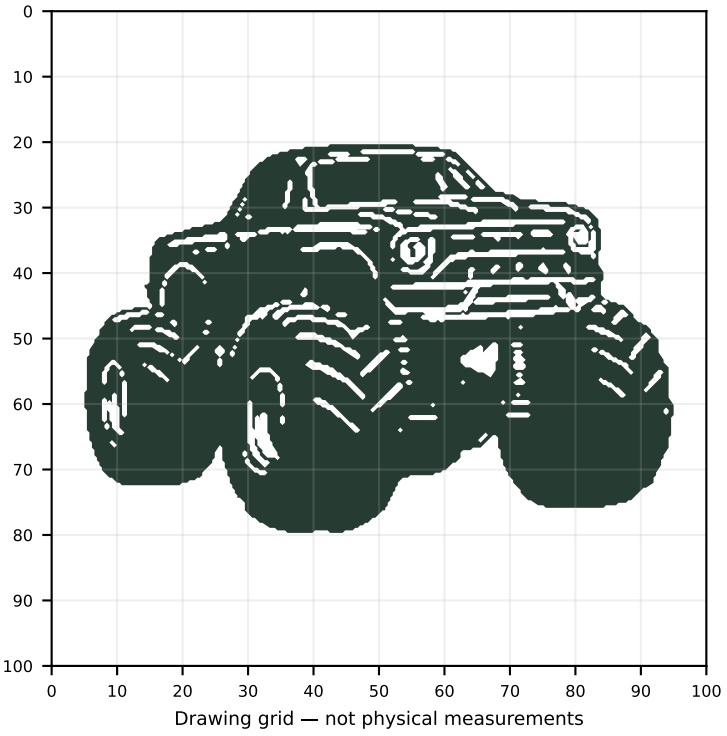

METHOD: Draw the boxy cab outline with roof, windows, and side profile. Add the front grille, headlights, and bumper to define the truck face. Sketch four oversized tires with thick tread patterns at the corners. Connect the body to the wheels using a raised suspension with visible axle and shock absorbers.
Use the separate practice sheet before checking the answer.
