Practice edition - practice

Name: _____ Date: _____

1. Sketch a hollow-cylinder section of outer radius 37 and inner radius 13 mm. Hatch material only; find section area.

2. Sketch a hollow-cylinder section of outer radius 39 and inner radius 14 mm. Hatch material only; find section area.

3. Sketch a hollow-cylinder section of outer radius 41 and inner radius 15 mm. Hatch material only; find section area.

4. Sketch a hollow-cylinder section of outer radius 43 and inner radius 16 mm. Hatch material only; find section area.

5. Sketch a hollow-cylinder section of outer radius 45 and inner radius 17 mm. Hatch material only; find section area.

6. Sketch a hollow-cylinder section of outer radius 47 and inner radius 18 mm. Hatch material only; find section area.
