Drawing prompts - answers

Worked answers / Keep separate from the student sheet.

1. Find one clear action line. Use the reference subject or an object you own.

One valid solution prioritises find one clear action line. Score observation, clear structure and deliberate revision from 0 to 2 each. A different drawing can meet the same criteria.

2. Compare two negative spaces. Use the reference subject or an object you own.

One valid solution prioritises compare two negative spaces. Score observation, clear structure and deliberate revision from 0 to 2 each. A different drawing can meet the same criteria.

3. Block in three main masses. Use the reference subject or an object you own.

One valid solution prioritises block in three main masses. Score observation, clear structure and deliberate revision from 0 to 2 each. A different drawing can meet the same criteria.

4. Use a single light direction. Use the reference subject or an object you own.

One valid solution prioritises use a single light direction. Score observation, clear structure and deliberate revision from 0 to 2 each. A different drawing can meet the same criteria.

5. Redraw from memory. Use the reference subject or an object you own.

One valid solution prioritises redraw from memory. Score observation, clear structure and deliberate revision from 0 to 2 each. A different drawing can meet the same criteria.

6. Compare and revise one proportion. Use the reference subject or an object you own.

One valid solution prioritises compare and revise one proportion. Score observation, clear structure and deliberate revision from 0 to 2 each. A different drawing can meet the same criteria.
